McLAREN VALE

Sand & Stones may break my bones, but geology will never hurt me...

Born of one of the most ancient and geologically diverse wine regions in the world, McLaren Vale, this wine is made from Australia's most ubiquitous grape – Shiraz. With the aim that this Shiraz reflects our view of the region, we combine a famed dry grown Blewitt Springs deep sandy vineyard, and a younger more structured and fragrant parcel from the shallow old bedrock of our own Onkaparinga Rocks vineyard in the hope of a more modern, slender and youthful expression.

## Creation

We hand picked each parcel to preserve freshness and vibrancy, keeping 12% as whole bunches, and gently destemming the balance to retain whole berries, we allowed it to cold soak for 2 days to capture aromatics. Fermentation commenced naturally, it was hand plunged or pumped over and tasted twice daily to assess flavour and colour extraction. After a gentle basket press, the wine was matured in a mixture of new and old French oak foudres, the smallest being 3500 litre, and a selection of 500l puncheons.

## Composition

Layers of cool blue and red fruit lift with layers of allspice and cardamom to entice, supported by a gentle oak creaminess, which progresses to the palate exhibiting a deep fruit weight kept bright, nervy, and fleshy and filed down nicely by fine and savoury tannin line.

## Consumption

Ideal serving temperature is 16 °C... God forbid a Shiraz that won't dominate all food placed before it. Try with spicy Catalan Fish Stew with grilled rye and aioli. Cool cellaring between 5 years to 8 years will be rewarded.

VARIETIES: 100% SHIRAZ

ALCOHOL: 14.1%

BOTTLED: AUGUST 2019
